

Club Nights

Starting: Wednesday 6 December 2023 and run every Wednesday as listed below

Start Time: 5.30pm with Club Meeting held in the Club Rooms after racing.
Parents are required to attend as this is where information is communicated.

What is a Club Night?

This is the start of competitive swimming for new swimmers and the chance for seasoned swimmers to develop their racing skills.

The Club encourages swimmers to be aware of their own Personal Best (PB) times for each event and to experience the satisfaction when they improve their time regardless of what others may be doing in the lane next to them.

All swimmers are encouraged to attend these fun nights with swimming commencing at approx. 5.45pm.

Parent helpers are required to assist with setting/packing up as well as time keeping.
